

The image features two black silhouettes of figures in dynamic, expressive poses against a white background. The figure on the left is in a wide, low stance with arms extended horizontally. The figure on the right is in a more upright, dynamic pose, holding a long, thin object (possibly a staff or sword) diagonally. The text "I want you for ..." is overlaid in red on the central part of the image.

I want you for ...

masami@fedoraproject.org

Open Source Software Development

- ▮ If you wanna be a software testing Ninja, why don't you join OSS projects?

Benefits

- | You can do what you want :)
- | Work with skillful people :)
- | Learn a lot of things :)
- | Someone will say thank you to you :)
